

## — ATUL KUMAR SINGH (GMD)

Atul Singh is a dynamic, young and energetic leader. He is an alumni of esteemed management school based out of Delhi. He has taken over the reigns of the family business in the year 2016 though he had already started actively participated in the business immediately after his education got over in the year 2004. His vision is to participate in the inclusive growth of the country by having state of the art institutions in the various sectors like sugar manufacturing, education, health care, beverages, etc. and his mission is to have self-sustained, procedurally driven institutions with a target to clock Rs. 10,000 Cr. valuation over a period of one decade.
